

Windscreens for Headset Microphones

ASWS20B10 / 14293

Features and Benefits

Our ASWS20B10 Windscreens for Headset Mics reduce wind, breath, and plosive noises to improve sound quality. The flexible foam provides a snug hold that prevents slipping and completely covers the mic, shielding it from dust, debris, and moisture. This pack includes 10 black windscreens that stretch to fit popular headset mic brands including DPA, Countryman, and Point Source.
