

HPCS3500 / 14483

## Features and Benefits

With a loud, full sound that shines through the mix whether used for live performance or studio recording, the sizzling, musical character of our HPCS3500 Cabasa complements a wide range of music genres and styles. To put the player in control, numerous percussive effects can be achieved simply by changing the technique of rotation or shaking. The contoured handle fends off hand fatigue for long-lasting playing comfort. Durable wood and steel construction ensures dependable performance and consistently great sound.
